Mustang Band

Carrollton, Texas

Arturo Denis, Director

2016-17 School Year

Dear Friends of the Creekview Mustang Band:

Thank you so much for considering partnering with the Mustang Band which is the largest student organization at Creekview High School. We have a great program with a large group of students participating in our yearlong marching, concert and color guard programs.

The mission of the Creekview High School Band is to create a fun environment where we compete at a professional level while accepting and caring for one another. The band experience should be one that leaves a lasting character impression and one that facilitates lessons that apply to life in general.

There are many people that help to make our organization successful. Our biggest support group is the Creekview High School Band Booster Club (CHSBBC). This group is made up of parents, friends, and relatives of current band students. Through this efforts of this organization funds are raised to supplement the funds from the district in excess of \$30,000. This allows the band fees for the students to remain low so that all students may participate in this great program.

Please consider becoming a sponsor of our band program and joining us in our largest fundraiser "The Running of the Band" 5K/Fun Run May 13, 2017. All donations are tax-deductible as Creekview High School Band Booster Club is a nonprofit 501(c)(3).

Attached is the sponsorship form which details the levels and benefits to you and/or your company. Please direct any questions or inquiries to:
